VS.)

KOZENY & MCCUBBIN, ET AL.)

DEFENDENTS.)

**GGC'S REQUEST THAT THE TIME FOR HER TO REPLY TO
DEFENDANT MERS/MERCORP'S OPPOSITION TO PLAINTIFF'S
MOTION F OR REMAND (AND SUPPLEMENTS THERETO) BE
EXTENDED UNTIL THIS COURT RULES PLAINTIFF'S MOTION
FOR RECUSAL**

Plaintiff has filed a Motion for Recusal in the above entitled matter. A response has been docketed for the defendants to reply (if they so choose) to that Motion for mid June. Plaintiff will then have an opportunity to reply to that brief making the matter ripe for ruling sometime in very late June or early July. The

rules provide that until the Motion for Recusal is ruled, this Court may not take any action on any other matter in the case. There is pending a Motion for Remand which has been filed with multiple supplements to Defendants' MERS/MERSCORP'S Removal. These defendants filed their response to the Motion to Remand this date. A response would therefore be due in approximately 12 days.

The undersigned believes that no response should be filed until the Motion for Recusal is ruled. Therefore, she asks this Court to permit GGC to file her response to this Opposition to the Motion for Remand after the recusal is ruled upon by this Court. If this Court does not agree with this position, the undersigned will of course follow this Court's order to file a response within the time provided, or a short time thereafter.

Additionally, plaintiff filed a motion for leave to file second amended supplement to the Motion for Remand; the defendants agreed to that request

but this Court has not granted leave as yet for the filing of that Second Supplement. Plaintiff respectfully requests this court enter an order permitting the second supplement to be filed so that defendants may reply thereto and the undersigned may reply to that reply.

Respectfully submitted,
